# Parent & Community Announcement

- *“Every Voice Matters: Introducing Dialogue AI in Pringle-Morse CISD”*

Dear Pringle-Morse CISD Families and Community Members,

We’re excited to share that Pringle-Morse **is now using Dialogue AI** — a communication platform designed specifically for schools and families.

This platform helps us:
✅ Respond faster to your questions and concerns
✅ Ensure every message is routed to the right district leader
✅ Provide full communication in **English and Spanish** (Plataforma completamente disponible en español)
✅ Track and document responses so nothing ever gets lost

**Why this matters:**
Your voice matters. Whether it’s feedback, questions, or concerns, Dialogue AI ensures your communication is received, responded to, and valued. Our goal is to build stronger connections with all families and community members while making communication simple and transparent.

**What’s next:**
Starting today, you can use Dialogue AI to reach district leaders with questions or feedback. Every message will be documented, tracked, and answered — in the language you are most comfortable with.  Go to our district website and click the icon 

to begin

We look forward to hearing from you and building an even stronger partnership between families, schools, and district leadership.

Together, we’ll make sure **every voice in Pringle-Morse is heard.**

Warm regards,
Scott Burrow,  Superintendent

Dialogue AI
